GROWING, PROCESSING, TRANSPORT, SAFETY COMPLIANCE OPPORTUNITY

Once a property has been CPB Certified™, it is eligible for application submission in the local municipality.

We make it easy to immediately submit a CPB Certified™ property for cannabis real estate licensing.

*Brokers Welcome*

This property is ready and eligible for growing, processing, transport or safety compliance municipal licensing. This 11,223 sq. ft. building contains office and warehouse space, and is located just west of the City Airport, with easy access to I-94 in downtown Detroit. It is ready for your custom build-out.
